

BROADBAND INVESTMENT FORUM

The Capacity to Grow. The Power to Succeed.

JUNE 13-16, 2027 | GAYLORD OPRYLAND | NASHVILLE, TN

START THE CONVERSATION HERE.

AT THE BROADBAND INVESTMENT FORUM

MONDAY, JUNE 14TH | 2:30 PM – 6:00 PM

The Broadband Investment Forum serves as a dedicated initiative within Fiber Connect focused on strengthening connections between broadband service providers and investors active in the industry. Engage in meaningful conversations and build relationships that can lead to future opportunities at this exclusive event.

BE AT THE CENTER OF OPPORTUNITY.

Designed to maximize the value of attending Fiber Connect, the program will facilitate curated introductions and targeted meetings with operators aligned to investors' strategic priorities, geographic focus, and investment criteria. Beyond individual meetings, investors will have opportunities to engage with service providers throughout the event, participate in exclusive networking opportunities, and contribute to industry conversations through panel discussions and thought leadership opportunities.

Whether you're looking to connect with potential investment partners, engage with portfolio companies, better understand market trends, or expand your network within the broadband ecosystem, the Broadband Investment Forum is designed to maximize the value of your Fiber Connect experience.

CURATED ELEMENTS

- Curated Introductions between interested investors and service providers based on investment focus, geography, and strategic objectives.
- Investor Participation in Programming, including panels, roundtables, and discussions focused on industry trends, growth strategies, and investment activity.
- One-on-One Meetings scheduled during the event.
- Networking Opportunities that encourage informal conversations and relationship building.
- Dedicated Investor Presence throughout Fiber Connect to make investors accessible and approachable for attendees.

VALUE FOR INVESTORS

- Access to one of the largest gatherings of broadband service provider executives in the industry.
- Opportunities to connect with operators that align with their investment criteria and strategic interests.
- Greater visibility through speaking opportunities and event participation.
- Insights into emerging trends, market dynamics, and operator priorities.
- Relationship building with both current and prospective portfolio companies.

VALUE FOR SERVICE PROVIDERS

- Direct access to investors actively engaged in the broadband sector.
- The opportunity to build relationships well before a capital need arises.
- Exposure to different perspectives on growth, expansion, partnerships, and industry trends.
- Better understanding of what investors are seeing across the market and the opportunities they are pursuing.
- Networking opportunities that may create future strategic, financial, or business opportunities.

EVENT FORMAT

2:30 – 2:40 PM	Sponsor Welcome
2:40 – 3:00 PM	Keynote Speaker
3:00 – 3:30 PM	Panel Discussion
3:30 – 5:15 PM	Preset 15-minute 1:1 Meeting with PE's & ISPs
5:15 – 6:00 PM	Networking Reception

WANT TO SPONSOR THIS EVENT?

\$40,000 FBA Member | \$48,000 Non-Member
Exclusive Opportunity

As the industry enters a defining period of deal making, this 3.5 hour structured meeting session convenes the operators, investors, and advisors shaping the next wave of fiber consolidation. Sponsorship puts your brand, and team, directly in the room where those conversations happen so you can build the relationships that will lead to future opportunities.

- Association with the executive program focused on M&A, capital markets, and consolidation across the ISP landscape
- Sponsor branding on session signage, program listing, and on-screen recognition
- Exclusive 10-minute introduction opportunity in front of the executive and investment audience
- Sign-in list and badge scanners provided for attendee capture and post-event follow-up
